

RIVERHOMES

Chelsea Harbour
Chelsea SW10

£65,000
Leisure

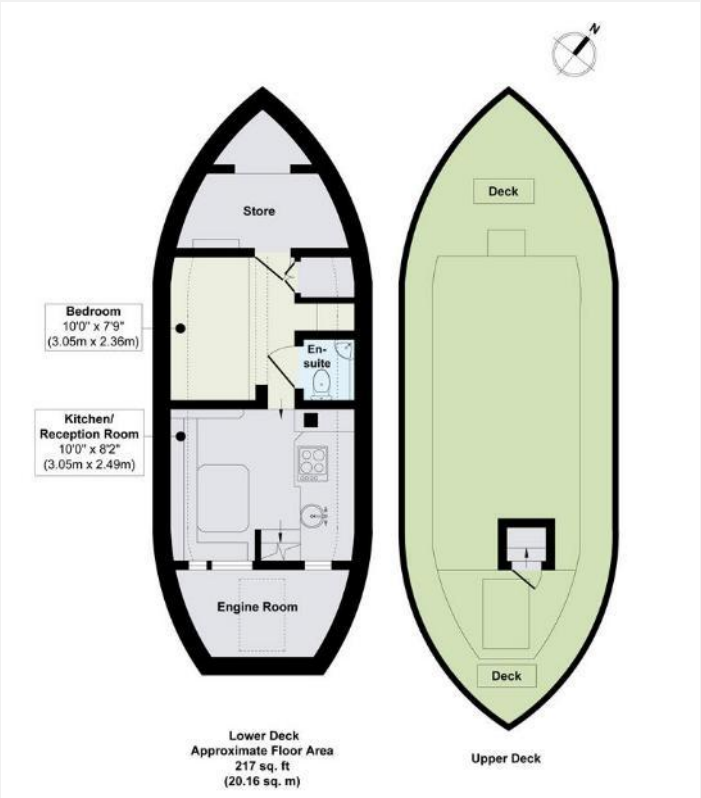

This beautifully refitted one-bedroom Dutch barge blends classic craftsmanship with modern comfort. Measuring 10.5m by 3.35m, the vessel is a faithful 1982 replica of an 1875 working barge, featuring a robust welded steel hull with overlapping seams for added strength and authenticity.

Step aboard from the stern into a thoughtfully designed interior filled with charm. A bright open-plan saloon offers built-in bench seating and dining space, flowing into a compact but well-equipped kitchen. The separate double cabin provides cosy sleeping quarters, while a smartly finished wet room includes shower, toilet, and basin. Clever use of space allows for comfortable accommodation for up to four.

Rich in period detail and full of character, this barge is ideal for weekend escapes, riverside adventures, or a unique compact living solution.

A rare opportunity to own a distinctive historic-style vessel with modern updates and enduring charm.

Please note: The mooring is not included and is subject to separate negotiation with the marina or mooring provider. All prospective buyers should make direct enquiries to confirm availability, costs, and terms. Any mooring fees quoted are approximate and offered for guidance only.
