With innovative layouts including split level floors, the stunning homes offer spacious and versatile accommodation arranged over three floors.

On the ground floor, three separate living spaces are expertly framed with deep coffered ceilings and recessed ambient mood lighting. There is also a separate TV snug or study/office on the ground floor to the front of the property.

The magnificent 32ft x 19ft reception room overlooking the rear garden, which includes kitchen, dining and living area, is beautifully fitted with floor to ceiling bespoke kitchen units and a large central island.

There are four spacious double bedrooms on the first floor, three of which have bespoke fitted wardrobes. The Master bedroom and second bedroom feature Juliette balconies and superbly appointed ensuite bathrooms. There are two further rooms on the top floor which could be used as home offices or extra bedroom space.

The property also benefits from an oversized single garage and EV Charging port as well as external wall lighting and landscaped gardens.
