## Description

This architect designed modern property has been built to an exceptional standard and features a porch leading to the front door and bright reception hall, with views of the striking garden. The formal lounge is a good size and is situated to the front of the property. It features both a pretty bay window and central fireplace with ample space for a wide choice of furniture. To the rear is an equally impressive open plan living space, with Bi-folding doors seamlessly linking the house and designer garden. Here, there is space for family dining table and a sofa. The kitchen has a wide range of units including; an integral dishwasher, a combination microwave-oven, wine rack and wine fridge, with space for a range cooker and an American style fridge freezer. These are complemented by stone effect worktops with coordinated breakfast bar and a separate utility room, with a door to the garden.

Off the spacious first floor landing is an airing cupboard, two storage cupboards and a luxury family bathroom. Here four of the double bedrooms are located, two with en-suites. A light well brightens the spacious second floor landing which leads to two further double bedrooms, each with en-suites.

The outstanding rear garden has been landscaped to an exceptionally high standard by a specialist garden designer. It has lawns, patios, select planting, box hedging, pergolas and a path leading to a large garden suite. The suite has Ethernet connectivity and its impressive layout comprises a cinema room, home office, kitchen, bathroom and store room. This space is ideal to have visitors enjoy self contained accommodation away from the family home. The driveway, flanked by mature hedging, can accommodate several cars and has direct access to the rear garden and garden suite via a side gate.
