The spacious reception room (17'11" x 15'07") is a particular feature of the home, with two large windows providing spectacular views towards Leith Hill and flooding the room with natural light. The attractive dining room has stone mullion windows which reflect the architectural style of the building. This flows nicely into the cottage style kitchen which includes a selection of base units with matching eye level cupboards, ample work surfaces and space for the usual white good appliances. All bedrooms are spacious with views to the front and side elevations. The family bathroom is tastefully appointed with a modern suite.

Externally the communal walled grounds are well maintained with various lawn areas and views towards Leith Hill. There is also a large selection of mature shrubs, trees and flower bed borders. The property also includes a private store room within the cellar of the main house, a garage en block, allocated parking and there are various visitor bays.
