Description

Situated in a quiet and prestigious gated development in the heart of Westcott, sits this charming mid-terraced, three bedroom, residence built in 2011 and finished to a very high standard throughout. Further benefits include stunning countryside views, allocated parking and a beautifully landscaped garden.

Presented to the market with no onward chain, the property provides generous proportions associated with modern living and combines good EPC efficiency, offering reassurance to potential buyers.

Overlooking the front is the contemporary fitted kitchen offering ample space for dining and socialising. There is a fine selection of 'Bosch' integral appliances, which include an induction hob, electric built under oven, microwave and extractor fan and further appliances include a full size dishwasher and fridge/freezer. A wealth of base and eye-level cupboards are beautifully complimented by the granite worktop surfaces and glass upstand.

There is a spacious ground floor cloakroom WC positioned between the kitchen and the spacious lounge which is a beautiful room situated at the rear of the property with French glazed doors overlooking and leading out to the garden.

The first floor consists of three generous bedrooms, two of which have built-in fitted wardrobes and the master bedroom further benefits from a modern en-suite shower room. The family bathroom completes this floor and is again finished to a very good standard.

A particular feature of the property is the delightful landscaped rear garden which is tiered with a large paved area providing a wonderful area to relax and unwind and an easy and manageable space. The central summer house frames the garden beautifully and could easily be the ideal retreat to avoid the heat of the sun on those hot summer days ahead.

There are two allocated car parking spaces which are associated with the property.

There is a service charge for the upkeep of the communal grounds and gardens which is currently £1480 pa for 2025.
