## Description

A truly beautiful, bright and spacious two bedroom first floor apartment with private garden, set within a stunning Victorian mansion house with views across Box Hill. Accommodation comprises a communal entrance hallway with original features, including a large stained glass window and Portland stone staircase. Once inside, you will be truly impressed by the 12 feet high ceilings and cornicing dating from when the property was built for the local MP in the mid 1800's. The double aspect sitting room retains many original features, including the fireplace and large bay window with views across the private garden and Box Hill beyond. The modern and contemporary spacious kitchen/diner provides ample units and quartz worktop, along with a dining area that comfortably seats eight. The master bedroom is another impressive room with tall ceilings and picture rails. The second double bedroom enjoys views across the separate communal gardens. There is also a contemporary and generous family bathroom. The 100 x 60 feet private garden is laid to lawn, bounded by mature trees, shrubs and flowering borders, ideal for quiet relaxation and making the most of the magnificent views. For keen gardeners, there is a timber framed greenhouse set into a corner of the garden. Residents' parking is provided within the large gravel drive, and a single garage with electric door is situated to the side of the main building.
