- Large Extension

# 159 Sturdee Avenue, Gillingham ME7 2HH

A fantastic opportunity to purchase this two bedroom semi-detached bungalow, with huge unfinished extension to the rear standing on a very large plot not over looked to the rear. This bungalow offers the opportunity to complete this project that was started by the previous owner. The key feature to this property is that it offers further opportunity to extend (subject to local planning authority consent) possibly into the loft if so desired. Although the property now requires complete modernisation and refurbishment, you will be amazed at what is on offer to the rear and in particular, this potentially beautiful garden. Once inside you will find the hallway, off this two rooms to the front, a room to the rear, small kitchen and shower room. Off the kitchen is a huge extension which requires completing. Step through the doors to the rear into a very large rear garden with out buildings and detached garage. We anticipate a huge response from the market and urge you call our friendly sales team at Wright and Co today to secure your early appointment to view.
