Located in the popular Leap Park development in Threemilestone, this three-bedroom semi-detached house offers well-presented accommodation together with driveway parking, a garage, and gardens to both the front and rear.

The ground floor features a living room that opens into the dining area, which in turn leads to the kitchen and a conservatory - ideal for additional living or entertaining space. The conservatory was almost entirely replaced by our clients in 2013, with new windows and a roof supplied by Philip Whear Windows & Conservatories. The living room also boasts an eye-catching fireplace, providing an attractive and warm focal point.

On the first floor there are three bedrooms and a family bathroom. All three bedrooms offer useful storage opportunities with two having in built wardrobes and the third having space over the stairs.

Externally, as highlighted before, the property benefits from a front garden, a driveway with garage, and a generous rear garden which we feel is larger than typically expected for this size of home in the area. The rear garden boasts a paved area with the rest predominantly laid to lawn.

In our opinion, the property has been very well cared for and is presented in good order throughout.

Viewings come highly recommend to appreciate all that is on offer.
