Watermeadows is an immaculately presented house that offers a fantastic opportunity for somebody to purchase a substantial detached family home on the rural fringes of Bodmin. The location offers access to readily available amenities throughout Bodmin town yet the property remains nestled in a rural spot. The property packs character throughout including original beamed ceilings and there is a fantastic amount of untapped potential with a large open fronted barn, stable yard with two loose boxes, a hay store and a secure tack room, all set within approximately 0.5 acres of land.

The property is accessed along an adopted no through traffic lane, there is parking to the front of the property for easily two cars and further space in front of the barn along with the stable yard for further parking if required.

The living accommodation to the ground floor is spacious and well appointed, externally it enjoys a private courtyard and pretty garden with mature plants and flowers to front- along with a summerhouse. There is a further garden to the rear with a lovely outlook across surrounding fields. The stable yard is located at the bottom of the front garden and would be idyllic for a family to be able to have ponies at home.

The second floor comprises of three large double bedrooms and family bathroom with separate toilet.
