This attractive three-bedroom family home offers excellent potential, complete with planning permission for a loft room. The entrance hallway provides practical understairs storage and leads to a generous living room featuring a fireplace, high ceilings and a bay window. The separate dining room is perfect for entertaining, with direct access to the sunroom overlooking the garden. The fitted kitchen includes space for appliances and also leads to the Sunroom and a convenient downstairs WC. The sunroom, currently used for storage, could be transformed into a sitting area or playroom. Upstairs, there are two spacious double bedrooms, the main with a bay window, both offering ample storage, while the third bedroom is ideal for a child, guest or home office. The family bathroom features a shower over the bath. Outside, the enclosed rear garden is mainly lawn with a paved terrace and additional paved area ideal for seating or a shed. Situated close to Tamworth Park, Milton Common and good transport links, the property would benefit from some updating.
