Beautifully presented and spacious, this three-story family home has been meticulously renovated by its current owners, who have lovingly preserved its original charm. With original fireplaces and ornate corning, this Edwardian gem boasts five generous double bedrooms, two inviting reception rooms and two modern bathrooms.

A particular feature of the property is the contemporary kitchen/dining room, featuring sleek and fully integrated appliances, including top-of-the-range Neff slide and hide self-cleaning ovens, a Neff microwave combination oven, an induction hob with automatic extraction fan, and a range of other high-quality appliances. The stylish and durable Silestone quartz waterfall worktops add a touch of elegance. The wrap around Bi-Fold doors create a seamless integration with the courtyard garden.

Recent additions include a newly fitted shower room on the top floor and a modern family bathroom, complete with walk-in shower. As you enter the property the elegant entrance hall has the advantage of a cloakroom/WC, whilst the two reception rooms offer versatile living spaces, with the first boasting an open working fireplace and the second featuring a multifuel stove/wood burner and direct access to the garden through patio doors.

On the first floor there are three double bedrooms and family bathroom. The master bedroom has access to a 'Juliette' Balcony. On the second floor there are two further double bedrooms and the additional shower room/WC.

The secluded, low maintenance Indian sandstone laid courtyard garden benefits from a southerly aspect, ramped side access and raised borders, providing a tranquil outdoor oasis.

This remarkable home is being offered for sale with no onward chain, and is also equipped with full gas central heating, including underfloor heating in the kitchen, powered by a 'Vaillant' Boiler and double glazed windows throughout.
