moredetail...

This extended detached bungalow is located on a no-through road on the outskirts of the 'iconic' South Downs National Park, and within easy walking distance of a regular bus service. The property benefits from gas central heating, double glazed windows along with Upvc fascia's and soffits for a maintenance free exterior.

As you approach the property there is a small front garden and resin driveway providing ample off street parking with side access to a single garage.

There is a good size front entrance porch to the hallway which has wood effect flooring that extends to all the principal rooms, loft access, large cloaks cupboards and linen cupboard.

The shower room has a modern suite with glass shower cubicle, electric shower and pedestal wash basin, and there is a separate WC.

A particular feature of the property is the full width rear extension which incorporates an open plan, extended lounge/dining room with sky light windows that bring in natural light and two sets of Bi-fold doors onto the rear patio.

The Kitchen is open plan to the dining area and is fitted with a good range of high gloss cupboards, complemented by ample working surface with breakfast bar. There is an inset sink, ceramic hob with extractor canopy, space for double fridge/freezer, washing machine and a cupboard housing the combi boiler (2 years old).

The main bedroom has a bay window to the front aspect and en-suite shower room/WC with glass shower cubicle/electric shower and wash basin.

There are two further double bedrooms to the front and side of the bungalow.

Outside there is a full width covered patio area with low retaining wall and gated side access. The well established, good size rear garden has a favoured south/east aspect and has a large area of level lawn, green house, timber shed and work shop.
