The image shows the rear garden of a three-story brick house. In the foreground is a green lawn. Behind it is a paved patio area with a dining table and chairs. To the right of the patio is a small blue wooden shed. The garden is enclosed by a dark grey fence. The house is made of red brick and has a gabled roof. The sky is blue with some clouds.

Do not let your eyes deceive you! There is so much more to this delightful village home than the first impressions suggest! Three storeys of character packed, beautifully presented accommodation of generous size.

Enjoying a picturesque setting opposite St. Stephen's church in the old village of Fradley, here is an opportunity to purchase a really good size family home that has been very much upgraded and extended, and comes complete with substantial driveway parking to the front and a very pleasant and well landscaped rear garden.

This impressive home has gas central heating and uPVC double glazing throughout, and the main entrance is in an attractive side porch which leads in turn to the spacious reception hall, with stairs leading to the first floor and a useful cupboard under the stairs that houses the gas central heating boiler.

Leading off the hall is the stylish front facing lounge with bay window to front and additional window to side. There is a feature fireplace area and a timber finished floor.

Also leading off the hall is a superbly sized separate dining/sitting room with further timber finished flooring, decorative wall panelling to half height and a built-in storage cupboard.

The reappointed breakfast kitchen overlooks the rear garden and has a full range of high gloss base, wall and drawer units together with contrasting worktops, built-in cooker, hob, extractor hood, integrated wine fridge, dishwasher and fridge freezer. Leading off the kitchen is a rear entrance lobby and a very stylish two piece fitted guest cloakroom with metro tiling.

The first floor mid and main landing areas are spacious and light in design, and provide access to the three original bedrooms and the family bathroom.

The largest of the first floor bedrooms is a front facing room with bay window and a full length range of built-in wardrobes.

Bedroom two is a rear facing double room with a built-in wardrobe and bedroom three is also a double room with rear garden outlook.

The family bathroom is spacious and appointed in a traditional style with a white and chrome suite to comprise bath, separate shower, WC and wash hand basin.

The conversion of the loft space has led to the creation of a study landing, a superb vaulted main bedroom of generous size and a very well appointed ensuite shower room with modern white and chrome shower, wash hand basin/vanity unit and WC.

Outside, driveway parking at the front of the property together with a footpath leading to the side porch entrance and privately fenced boundaries. A gated side entrance leads to the landscaped and privately fenced rear garden which has a full width patio area, lawn, decked seating area, stocked borders and two timber built garden stores.
