An individually built traditional detached bungalow with exciting potential to extend (STPP) standing in 0.49 acre gardens that adjoin farmland.

NO UPWARD CHAIN

A rare opportunity to purchase a standalone detached bungalow built around the early 1960's and sitting well back from the roadside within an established plot of almost half an acre that offers a good degree of privacy and very generous parking areas. The property is well planned and very well presented throughout, offering obvious potential to update and extend. It is double glazed throughout and has oil fired central heating with a modern, recently replaced boiler.

The main mahogany entrance leads you into a generously sized reception hall off which lead all principal rooms within the property. A feature of the bungalow is a polished oak block floor extending to the hall and lounge. There is open plan access from the hall into the triple aspect lounge with large picture windows overlooking the garden and a focal point slate built open fireplace.

The excellent sized open plan dining/living kitchen has a fully tiled floor, an oil fired Aga range cooker, built in worktops and storage and a sink unit. Leading off the kitchen is a rear entrance hall/boot room that has ample space for a fridge and freezer, washing machine, oil fired boiler and coats and cloaks.

The bungalow has three excellent sized double bedrooms all having the benefit of large windows and natural light, all enjoying pleasant garden views.

The family sized bathroom is pure 1970's nostalgia with an ocean blue suite to include a corner bath with shower, low level WC, vanity unit wash hand basin, floor to ceiling formica wall surfaces, full height built in storage cupboard and a feature glass door.

Outside - Detached brick built single garage with double doors, side pedestrian door, electric light and power points. Extensive driveway parking stretches from the garage to the driveway entrance.

The overall plot size is 0.49 acres or so and has hedged boundaries that adjoin open farmland on three sides. The main areas are lawned with an established range of shrubbery and perennial borders and a mixture of evergreen and deciduous trees.
