what the owners will miss

We will miss the cottage character of the property, mostly the cosy living room (especially at Christmas!). Hosting people and cooking/entertaining has always been a pleasure in this house from winter get togethers to summer BBQ's. The garden in the summer is beautiful and we will definitely miss our vegetable/allotment area. Having a cup of tea under gazebo or sunbathing in the hammock will always be memories we will remember for a long long time. The location, close to the Bristol/Bath cycle path and Warmley forest park has been ideal for nice daily walks. A friendly quiet place to live indeed!

just a thought...

This home really is a tardis! What looks like a little cute cottage from the front, hides a substantial, well proportioned, sizeable home, with unusually large gardens. If you are looking for something different, with character, this home should be top of your list!
