what the owners will miss

"One of the things we will miss most about this property is the heart of the home—the kitchen and the joy of entertaining in the spacious living area. We will also miss the breathtaking views across Bristol, especially during the fireworks on Bonfire Night and New Year's Eve, which have been truly magical. In the summer months, we've loved watching the hot air balloons from the Balloon Fiesta float overhead. Our sunny garden has been a haven, perfect for BBQs, relaxing by the chiminea, and watching our kids play".

just a thought...

If you hadn't considered Hanham before, this could be the one! Set at the end of a private lane, this home offers a surprisingly level of seclusion and views, rarely available in this part of the city. With ample off street parking, a large garden and huge patio area, all compliment this beautifully presented detached home, which has been finished to an exemplary standard. Genuinely this home should be at the top of your list to view.
