what the owners will miss

"We'll really miss the downstairs space that we created. A really large open plan living/dining room has been great for our two little boys and for having friends around. The garden space, and plot in general, is also something we feel lucky to have. It feels private yet open, and in the summer months really adds to the spacious feel of the house. Finally, the area itself is great. Nice and quiet with zero passing traffic, just around the corner from Magpie Bottom, a 5 minute walk to Hanham High street, and a 15 minute walk to Conham river park."

just a thought...

If you hadn't considered an older style home before, this could be the one! Bright, and deceptively spacious, with a larger than average garden for properties of the era, plus off street parking space. This is one not to be missed!
