An excellent opportunity to acquire this spacious four-bedroom family house which sits in an elevated and private position along a private road, away from the hustle and bustle of town yet just a few minutes' walk to the centre of Louth with its shops and amenities. Lindenfels sits on a large plot having an extensive driveway with large front and rear gardens, making it ideal for growing families. Internally, the property briefly comprises entrance hall with WC, lounge, conservatory, dining room, kitchen, pantry and adjoining double garage, whilst to the first floor are four double bedrooms, along with family bathroom. The property offers great potential for further development and must be seen in person to be fully appreciated.

The property is believed to date back to the 1960s and is built to an individual and high standard with unique design features with a pitched roof incorporating dormer windows, enjoying uPVC double-glazed windows and doors all round, along with gas-fired heating from a modern Worcester system.

Spacious hallway with turned staircase to first floor, storage cupboards and door off to the WC. Off to the left is the spacious lounge which has large windows facing the garden, feature fireplace and connecting doors through to the west-facing conservatory, which enjoys sun all afternoon and evening. Also off the hallway is the dining room with dual aspect windows which could lend itself to a variety of uses, and the breakfast kitchen which has a good range of fitted base and wall units with built-in appliances, windows to two aspects and a useful breakfast bar to one side. A door off the kitchen gives access to the pantry and a door to the side leads to the rear lobby with access door to the driveway and a connecting sliding door to the large double garage, which benefits from remote roller electric door, along with further rear pedestrian access and alcove with space and plumbing for white goods and also housing the Worcester gas-fired boiler.

Delightful galleried landing with window to front and loft hatch to roof space. The master bedroom is a particularly large room with windows to front and rear. Ample space for dressing area to side and good range of built-in wardrobes, with connecting door through to further bedroom, also double in size with dual aspect windows and eaves storage, with the spaces having potential to create further bedrooms/en-suite or separate individual access if required. Off to the left is a further double bedroom with dual aspect windows, eaves storage and built-in wardrobes. The fourth and final bedroom is also a double in size with dual aspect windows and wardrobes with mirrored sliding doors. The family bathroom is particularly spacious with window to rear, three-piece suite with bath and shower above, built-in storage and tiled walls.

The property is approached by a private lane where right of way is granted with shared maintenance responsibilities, being a smart tarmac drive which leads into the drive of 9 Grimsby Road, providing parking adjacent to the double garage. At the front is a smart lawned area surrounded by mature bushes and shrubs and a large patio adjoining the front of the property. At the rear is a superb, very large private rear garden with mature hedged boundaries to all sides. A good range of mature trees, bushes and shrubs, laid to lawn with garden sheds and greenhouse to side and a further patio adjoining the property, with pathway leading around to the connecting gate to front.
