ABOUT 26 CHARLES AVENUE...

A beautifully presented and greatly improved 4 bedroom family house with mature gardens to front and rear with extensive block paved driveway leading to garage. Internally the contemporary accommodation offers modern living with dining-hall, high specification kitchen, WC, utility and lounge leading to the beautiful south facing garden. To the first floor are 4 bedrooms with en suite and jack and jill bathroom. The house is set well back from the road in a quiet and very popular residential area of Louth.

Directions

From St. James' Church, proceed along Little Eastgate into the town centre and continue along the one-way system. At the second mini roundabout take the first exit along Ramsgate and take the second exit onto Ramsgate Road at the next mini roundabout. Turn third left into Victoria Road and then right at the crossroads along Keddington Road. Take the first right into Grosvenor Road, continue to the end, around the left bend and the road turns into Charles Avenue. The property will then be found along the way on the right hand side.

The Property

A smart, detached residence dating back to the 1970s, having brick-faced cavity wall construction with pitched timber roof, concrete interlocking tile covering with uPVC windows and doors throughout, having matching uPVC fascias, soffits and guttering. The property is heated by way of a modern gas-fired Worcester boiler which is serviced on a regular basis and supplemented by a pressurised hot water cylinder. The property also has a working chimney with wood burning stove which is currently concealed behind the electric fire in the lounge and could, therefore, easily be reinstated. The property has been upgraded to a very high standard by the current vendors and provides a ready to move into, contemporary residence located in a highly desirable residential area.
