The Plot

A flat, level plot currently laid to lawn with hedged and fenced boundaries with access to be created by the purchaser via Beech Grove, by the removal of the front hedge and dwarf brick walls. The plot measures approximately 9.5m wide x 18.2m deep.

The Proposed House

An artist's impression of the proposed dwelling is shown in these details. However, earlier revision of the plans does suggest a wider house with integral garage, providing large upstairs accommodation. Any other designs then shown in these particulars according to revision A, must seek further amendments with the council. However, it does suggest alternative designs could be considered once the plot has been purchased. The design shows a simple pitched roof with a ground floor rear extension to provide the lounge area, with matching detached garage design. The house is set to the side of the plot with driveway access down the side with garage at the rear and rear garden space provided for. Access will be via Beech Grove. Internally, the property opens into the hallway with staircase to first floor and cloaks cupboard, with door through to the living kitchen diner with units situated at the front and a large family open plan space towards the rear with patio doors leading to the garden. A door gives access to the utility room which, in turn, gives access to the WC. To the first floor, the landing gives access to two double bedrooms and a third single or office, with family bathroom at the rear.

Planning

Full planning permission was granted on the 9th May 2022 for the erection of a house with detached single garage on the site of an existing garden with vehicular access via Beech Grove which is to be created by the purchaser. The new rear boundary fence for the plot has been erected by the sellers.

The planning permission has been granted in accordance with application number N/105/02501/21 and the Decision Notice and accompanying documentation can be viewed on the planning portal of the East Lindsey District Council website <https://publicaccess.e-lindsey.gov.uk/online-applications/> or copy documents can be emailed as pdf's on request if preferred.

The planning permission is subject to conditions in respect of the timescale within which the development must be commenced, construction to be in accordance with the approved plans and approval of proposed materials for the building and hard surfaced areas by the local planning authority. The precise wording of the Planning Decision Notice and the relevant conditions should be considered in detail by a prospective purchaser in accordance with the approved plans.
