Our Vendor Loves...

What first attracted us to our flat is how light it is, the fact it has a private garden and its proximity to Crystal Palace. We love how peaceful the road is and there is a real community spirit which we haven't had elsewhere in London. The flat has always felt homely and we've really enjoyed having a spacious kitchen. A lot of new independent businesses have opened up since we moved here - such as The Craft Beer Cabin' and The 'Chatsworth Bakehouse', which is halfway between Anerley and Crystal Palace. It's also got great transport links with five stations between a 10 and 20 minute walk away. We've been extremely happy here and hope the next owners will feel equally at home.
