Our Vendor Loves...

"I have loved my home for the last 7 years. It has great amenities all within walking distance, a two time OFSTED 'Outstanding' school, a tram line and several train lines, parks and shops to name a few. All of the neighbours are friendly and make your house feel like a home.

The area is one I will always enjoy with fond memories. I have enjoyed relaxing in the garden on summer nights and having friends over for a catch-up. The garden is mostly south facing, which makes growing fruit taste delicious.

Now it's time to move on to my next chapter with my partner as we move outside of London. I hope someone else can enjoy the home as much as I have."
