## Our Vendor Loves...

I purchased my property in 2008 and lived there for nine years. Due to late night work, I had to move to the west end, but my tenants have loved it as much as I did. I love that it's in a quiet, colorful cul-de-sac, yet so close to the vibrant high street and Bell Green shopping centre all within easy walking distance. The house is very tranquil, and the west-facing garden is a dream! The basement is a slice of heaven, featuring underfloor heating and a central roll-top bath, perfect for relaxation or when having friends staying over in the basement they have a fabulous en-suite. The neighbors are all super friendly, and with all the green spaces, cafes, and pub gardens around us, it's perfect for a couple or family, plus the convenience store on the corner is just great.
