Propertyworld presents this 4 bedroom, purpose built apartment to the Sales Market. In need of modernisation throughout,, the property is spaciouly deceptive and is situated within the heart of Tulse Hill, ideal for Brixton's vibrant bars, restaurants and shops, including the popular Brockwell Park. for leisure.

Siting on the first floor, the property provides four double bedrooms , large lounge and kitchen in excess of 9ft. The bathroom is also spacious with a three piece as fitted with tiled walls and floors There's also a balcony just off the kitchen, for immediate fresh air

Forming part of a local authority estate, means there is also communal gardens, for a bit of green space. Internally the flat does require updating, however in our opinion this is an purchase for both first-time buyers and investors, looking for something close as possible for London commuting - having Herne Hill, Tulse Hill Rail Station and Brixton underground all within minutes walk away. Additional benefits include gas central heating, double glazing and best of all - No onward chain!
