DESCRIPTION

This two-bedroom first floor apartment with optional lift access is located in the heart of the sought after village of Tisbury, close to the high street and local amenities.

The apartment is part of an attractive Grade II listed Brewery building and perfect for those looking for a low maintenance and convenient property. The accommodation includes an entrance hall, kitchen/breakfast room, which opens up into a sitting room, two bedrooms both with built in storage and a bathroom. Externally there is a communal garden and allocated off road parking.

LOCATION

Tisbury is the principal village in Wiltshire's exceptionally popular and highly sought after Nadder Valley. With beautiful rolling countryside considered widely by many as offering the best walking in the South of England. Simply stunning views coupled with amenities to suit every requirement, it's no wonder The Sunday Times has voted Tisbury in its Top 5 places to live in the UK since 2014.

Tisbury's picturesque, welcoming and thriving High Street is awash with high quality independent shops and services that include a fishmonger, butcher, solicitors, a highly regarded deli, hair salons, a hardware shop, florist, post office, as well as excellent cafés, a wine shop, community leisure centre a pharmacist, dentist and doctors' surgeries to name but a few, Tisbury really does have it all. An excellent primary school is present within the village as well as several very well supported community groups.

The village also offers a mainline railway station that provides services both east and west to Exeter St. Davids and central London respectively with Waterloo being only 1 hour 50 mins away approximately as a direct route. With golf at nearby Rushmore, racing at Salisbury and Wincanton and Messums Art Gallery occupying the Tithe Barn within Tisbury itself, the village really does offer something for everyone and brilliant links to other, local activities.

SERVICES

Mains water, electricity and drainage are connected to the property. The heating system is that of electric storage heaters. There is also a lift within the building.
