LOCATION

Tisbury is the principal village in Wiltshire's exceptionally popular and highly sought after Nadder Valley. With beautiful rolling countryside considered widely by many as offering the best walking in the South of England. Simply stunning views coupled with amenities to suit every requirement, it's no wonder The Sunday Times has voted Tisbury in its Top 5 places to live in the UK since 2014.

Tisbury's picturesque, welcoming and thriving High Street is awash with high quality independent shops and services that include a butcher, solicitors, a highly regarded deli, hair salons, a hardware shop, florist, post office, as well as excellent cafés, a wine shop, community leisure centre a pharmacist, dentist and doctors' surgeries to name but a few, Tisbury really does have it all. An excellent primary school is present within the village as well as several very well supported community groups.

The village also offers a mainline railway station that provides services both east and west to Exeter St. Davids and central London respectively with Waterloo being only 1 hour 50 mins away approximately as a direct route. With golf at nearby Rushmore, racing at Salisbury and Wincanton and Messums Art Gallery occupying the Tithe Barn within Tisbury itself, the village really does offer something for everyone and brilliant links to other, local activities.

SERVICES

The property is connected to mains drainage and electricity. The property's heating system is in the form of an energy efficient Air Source Heat Pump as well as having a wood burning stove in the sitting room.

OUTSIDE

The property is located on a quiet section of the estate, where this is a tarmacadam driveway, providing off road parking and access to the single garage with up and over door. There is also a further side access into the garden.

The south easterly facing rear garden has been tastefully designed, providing different colours and planting throughout the different seasons. The garden can be accessed from both the utility room, as well as the double doors in the sitting room, where you step out onto a patio area, with room for the garden furniture. The rest of the garden is mainly laid to lawn with planted borders.

The garden is fully enclosed to all sides by walling and wooden panel fencing.
