Inside the Home

Brought to the market for the first time in over 50 years, an attractive stone cottage, located in a quiet, tucked away position, on the edge of the village, within easy reach of village amenities, with several stunning countryside walks from the doorstep.

The well-cared for accommodation, which would now benefit from modernisation includes a welcoming entrance hall, kitchen/breakfast room, sitting room with potential fireplace (subject to checking), downstairs bedroom with ensuite WC, further family bathroom, two further bedrooms to the first floor along with a spacious landing with further potential.

Externally there is a workshop with WC, single garage and garden shed to the rear, along with ample driveway parking and gardens front and rear.

Outside Space

The property is located on Brook Street, a quiet tucked away lane which leads into several stunning walks, where you enter via private handmade gates, into a tarmacadam driveway, providing parking for several vehicles and access to the single garage and workshop.

The mature gardens, which wrap around the property sit on a plot of approximately 0.17 of an acre, with the front mainly laid to lawn, planted beds and a path leading from Brook Street up to the front door. Further gardens to the side then leads around to the larger south facing rear garden, which can also be accessed from the double doors in the kitchen/breakfast room, where there is a patio, further area of lawn, as well as a productive vegetable patch. The gardens are enclosed by walling and mature hedging.
