

This cozy home offers a practical layout and a fantastic opportunity to make it your own. On the ground floor, you'll find the living room, a bright family bathroom, and a small utility area that's functional but could benefit from a little updating to truly shine.

This cozy home offers a practical layout and a fantastic opportunity to make it your own. On the ground floor, you'll find the living room, a bright family bathroom, and a small utility area that's functional but could benefit from a little updating to truly shine.

Upstairs, the property features three bedrooms. The main and second bedroom come with built-in wardrobes, providing convenient storage solutions. The third bedroom, accessed through the second, offers a versatile space that could serve as a home office, dressing room, or nursery.

Outside, there's a small garden space—just the right size to enjoy some outdoor relaxation without the hassle of heavy maintenance. While the property may need a bit of cosmetic attention, it's perfectly livable and has great potential to be transformed into a warm and welcoming home.

Conveniently located close to shops and excellent travel links, this home is ideal for those looking for an affordable and practical space with room to grow.
