

Situated on the top floor of a sought-after location, this spacious one-bedroom apartment on St. Marys Island offers a perfect blend of contemporary design and peaceful living. The property benefits from lift access and boasts a striking double-height vaulted ceiling that

Situated on the top floor of a sought-after location, this spacious one-bedroom apartment on St. Marys Island offers a perfect blend of contemporary design and peaceful living. The property benefits from lift access and boasts a striking double-height vaulted ceiling that enhances the sense of space and light.

The main living area is defined by an impressive floor-to-ceiling feature window, providing uninterrupted river views and spectacular vistas. The abundance of natural light accentuates the clean lines and modern architectural style.

With its bright, open layout, premium location, and stunning river views, this apartment presents an excellent opportunity for comfortable, stylish living on St Mary's Island. This is a property you cannot miss!
