

3 Slaty Road | Oxton | CH43 1TA

£530,000

A house with a thousand stories to tell, this stunning detached property represents a rare opportunity to acquire a house steeped in the history of Birkenhead. Built in the 1850's around the time of the completion of the world renowned Birkenhead Park which lies a stone's throw away, the occupants of this property witnessed many historical events from the introduction of Britain's first Street trams to the explosion of WW2 bombs nearby.

Boasting a host of amazing original features including marble fireplaces (one of which houses a log burner) original woodwork including fabulous original bi fold wooden doors that can be opened to enlarge the two main reception rooms. Original working shutters to the two front reception rooms, high ceilings throughout, original cornices and wooden floorboards. Set upon a great sized plot being ideal for a growing family to enjoy for many years to come.

- Seven Bedroom Detached Family Home
