

Belvidere Road, Wallasey

£242,000 Council Tax Band B EPC Rating D

 4  1  2

This deceptively spacious four bedroom mid row property would make a superb family home, having a welcoming feel throughout and the benefit of uPVC double glazing and gas central heating system. Only a short walk to the centre of Liscard where you can find plenty of services, handy shops and amenities including post office, supermarkets and frequent bus routes. Well placed for excellent local Primary and Secondary schooling. Also a good base for commuting as the M53 motorway and Kingsway Liverpool tunnel are only a short drive away. Interior: vestibule, inviting hallway, living room, sitting room, dining kitchen and utility on the ground floor. Off the first floor landing there are the four bedrooms and bathroom. Exterior: good sized south westerly facing rear garden. Viewing is highly recommended in order to appreciate in full.

Key Features
