THE PLOT – PL13 2DT

KLP are delighted to offer this wonderfully located potential building plot set in an elevated position offering stunning countryside and coastal views across Looe and beyond. The plot extends to approximately 0.017ha/0.04 acres with a road frontage onto Hannafore Lane of approximately 24M. The land rises from Hannafore Lane to the rear boundary with Dawn Road.

An application made by the previous owner to Cornwall Council for a dwelling on the plot was refused in April 2014 on design issues and as Cornwall Council stated, impact on the Looe Conservation Area and the locality. This refusal was appealed by the previous however the appeal was dismissed in November 2014. Conservation Area consent was granted in April 2014 for the demolition of garage buildings on the plot.

The Appeal Inspector makes clear the design observations supporting his decision. The previous owners however did not subsequently seek to address the reasons for refusal and submit a new application. For example, immediately adjoining the plot to the north is a recently constructed substantial house (PA11/03472 & PA13/00888 - The Crows Nest) which could form the template of a new application on the plot for sale.

NOTE - One element of the application was to include three garages for the occupants of The Arches, our clients adjacent property. This will be a condition of the sale and for any new application.
