THE PROPERTY – PL25 3GA

The property comprises an approximate 0.10 hectare/0.25 acres land parcel located on the fringe of an existing recent residential development undertaken by Devonshire Homes, called Gwallon Keas. This development is a collection of c.200 homes ranging from 2-5 bedrooms.

This parcel was previously granted planning permission under a reserved matters application for an office building with dedicated parking. Subsequently our clients were granted outline planning permission for 4 dwellings under reference PA23/05275 with all matters reserved.

The site is situated approximately 100 metres up Cuddra Road from its junction with A390 Holmbush Road leading into Gwallon Keas. A short length of tarmac spur road with kerbing has been constructed from Cuddra Road and forms the access into the site.

HOLMBUSH, ST AUSTELL

The area of Holmbush is located on the eastern fringe of St Austell astride the A390 and offers small selection of independent shops including a local butcher, bakery, pet store and post office and well as a Tesco supermarket.

St Austell offers a wider choice of shops, services and amenities including two secondary schools, Cornwall College and a mainline railway station on the Penzance /Paddington line.

The stunning Cornish coastline is a short distance away at Carlyon Bay and Charlestown.

PLANNING & TECHNICAL

Cornwall Council granted outline planning permission dated 27 February 2024 under application PA23/05275 for up to 4 dwellings (in place of an approved office building under reference PA17/07933) with all matters reserved.

We have not undertaken any services enquiries, interested parties will need to make and rely on their own investigations.

A comprehensive planning & technical information pack is available via a drop box link, on request
