DESCRIPTION

The property comprises the first floor of a two-storey mid-terraced building of stone construction under a hipped and pitched slate covered roof.

The first floor is independently accessed by stairs from the front of the building and benefits from modern timber framed sash windows. The space has been improved over the years and predominantly provides carpeted floors, suspended ceiling with integral lighting and is divided into a number of training rooms, meeting rooms and offices. The central training room does not benefit from natural light.

The property is heated by electric wall heaters and also benefits from a good quality kitchen and three w.c.'s. and also has its own fire alarm system.

Whilst the property has previously been in office/training use, it may be suitable for other uses, subject to all necessary consents including planning consent being obtained.

ACCOMMODATION

We have measured the property as providing a net internal floor area of 167.35 sq m (1,802 sq ft).
