PRIME DEVELOPMENT OPPORTUNITY— Plot 1, 52 Traps Hill, Loughton

Plot 1 at 52 Traps Hill offers a rare chance to create a bespoke residence in one of Loughton's most desirable locations. Set on approximately 0.26 acres of mature grounds, this substantial building plot has planning to build a 4,703 square feet, five-bedroom, four-bathroom detached home.

This new build opportunity invites the integration of contemporary architecture and energy-efficient construction, allowing you to craft a home that reflects both style and sustainability. The setting combines the tranquillity of suburban living with convenient access to excellent schools, local amenities, and transport links, making it ideal for families and professionals alike.

Whether your vision is a spacious family home or a sleek modern retreat, this plot provides the perfect foundation for your aspirations. Opportunities of this calibre in Loughton are increasingly rare, making this a compelling proposition for those seeking to build something truly special.
