Combs Green, Stowmarket, IP14 2NP Guide price £365,000

Situated in the village of Combs is this substantially sized, detached, three bedroom family home. Occupying a large plot this property offers the highly desired semi-rural lifestyle with countryside walks on your doorstep and easy access to amenities in Combs Ford just 2 miles away and Stowmarket town centre and Station approximately 3 miles away.

The ground floor consists of a spacious living room that opens to the conservatory with underfloor heating, that overlooks the landscaped garden. The kitchen/diner offers some built in appliances and opens to the more formal dining room. There is also the benefit of a ground floor W.C. The first floor offers three bedrooms all with field views, along with a shower room with walk in shower cubicle.

The private rear garden is adorned with mature plants, and shrubs. Offering a sizeable patio area, and lawn area the garden is also partially lined with raised flower beds all containing a variety of mature flowers and shrubs. There is a shed and summer house along with a greenhouse too.

The property offers ample off road parking for multiple vehicles along with the potential to add more. There is a single garage that is fully insulated and has power and electric connected. The garage is currently used as a home office space.

Rear Garden

The rear garden has been tastefully landscaped and offers a variety of mature flower and shrubs in a variety of raised flower beds. The garden has a

spacious patio area and is also partly laid to lawn.

There is a shed, summer house and greenhouse and a side gate providing access to the front.

The oil tank is located in the garden along with the wall mounted boiler, connected to the external wall of the garage.

Garage / Home Office

The single garage is currently partitioned into two sections.

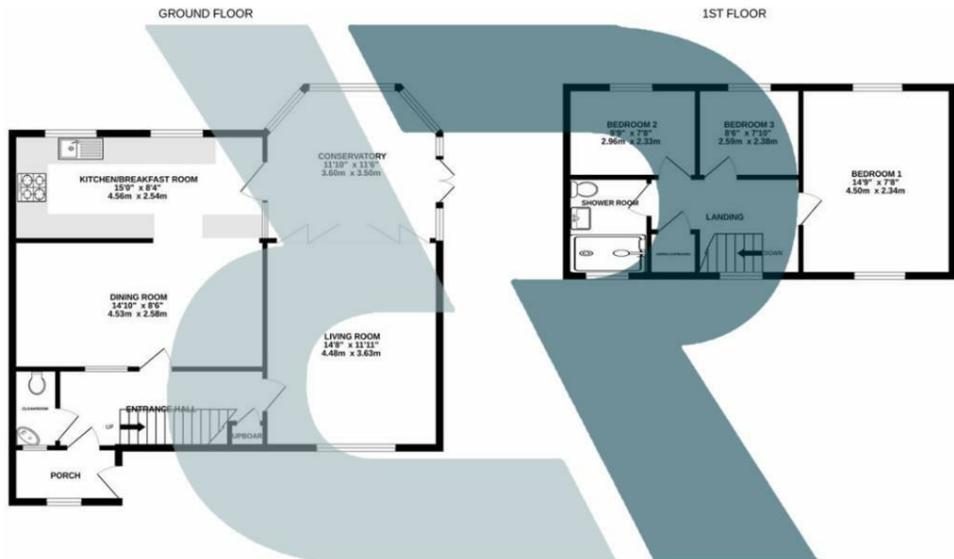

Accessed from the rear garden the first section of the garage serves as storage and a utility area with power and electric connected, there is space for a tumble dryer and fridge/freezer. You will also find the controls/ boards to the solar panels too.

Continuing through the garage there is a door that opens to the home office space. There is a window to the front, along with power and electric connected. The space is fully insulated and benefits from a radiator along with a range of built in cupboards.

Solar Panels

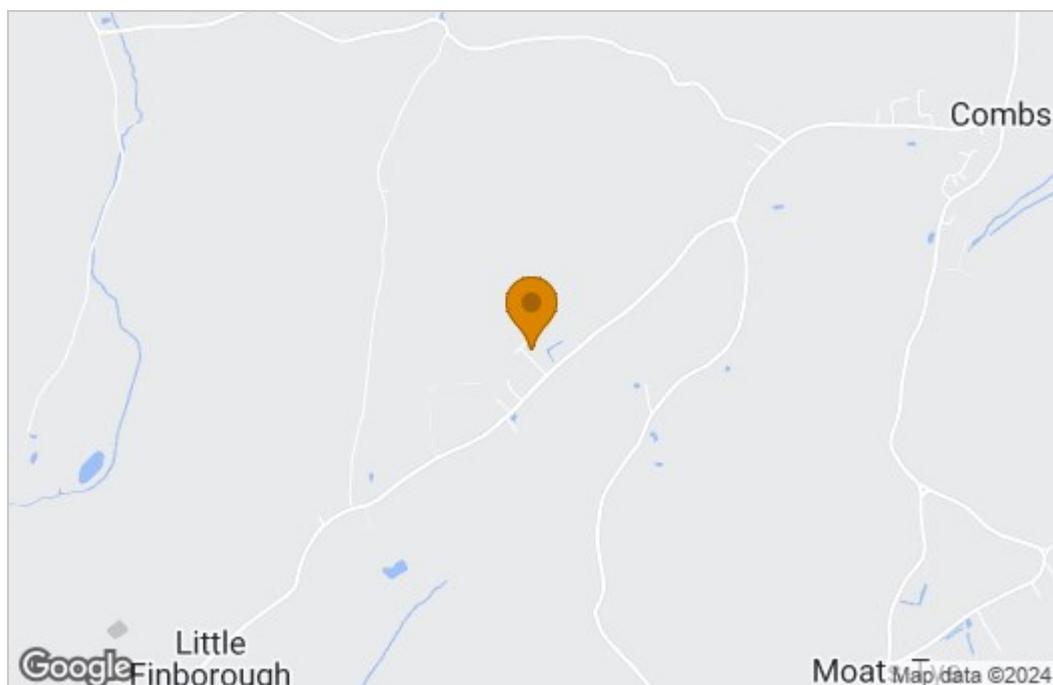

The property benefits from solar panels of which are owned outright and were fitted in 2011. The panels come with a FIT guarantee which can be transferred to the new owners and has approximately 13 years remaining. The vendor has advised that they receive a generous "pay-back" from the national grid equating to approximately £1500 per annum, and the return is paid back in instalments every three months.

Floor Plan
