Sell your home quicker with Express Mover and no estate agent fees to pay

How it works

Introduction

Our Sales Advisor will ask for your details and those of your current home, which we will then pass to our Intermediate Management Agent (IMA).

Valuation arrangements

The IMA will contact you directly to arrange an appointment for local estate agents to value your home.

Estate agent visit

Photographs and measurements will be taken of each room, with floorplans drawn up and short summaries written to describe your home.

Property appraisal

The IMA will complete a detailed Property Appraisal based on the property information and local market data.

Price discussion

Our IMA will send you the property appraisal via email and will then call you to discuss the marketing strategy for your home.

Instruction

Should you agree to proceed with Express Mover, our IMA will email you an electronic agreement for you to sign and return. This will allow the marketing process to begin.

Marketing

Our IMA will instruct the nominated estate agent(s) to begin marketing your home at the agreed price.

Viewings

The appointed estate agent(s) will contact you to organise viewings of your home.

Property report

Our IMA will keep you updated with regular property reports, making any recommendations which will assist in securing a sale.

Offer

Our IMA will keep you informed of any potential offers and once an offer on your home has been accepted, you will be invited to make an appointment to reserve your new Bellway Home. Your dedicated Sales Advisor will be on hand to guide you through this stage of the process.

Customer Care

From the first day you visit one of our sales centres to the day you move in, we aim to provide a level of service and after-sales care that is second to none.

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens

it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity.

In managing this process we have after sales support that is specifically tasked to respond to all customer enquiries.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. A 10 year NHBC warranty provides further peace of mind.

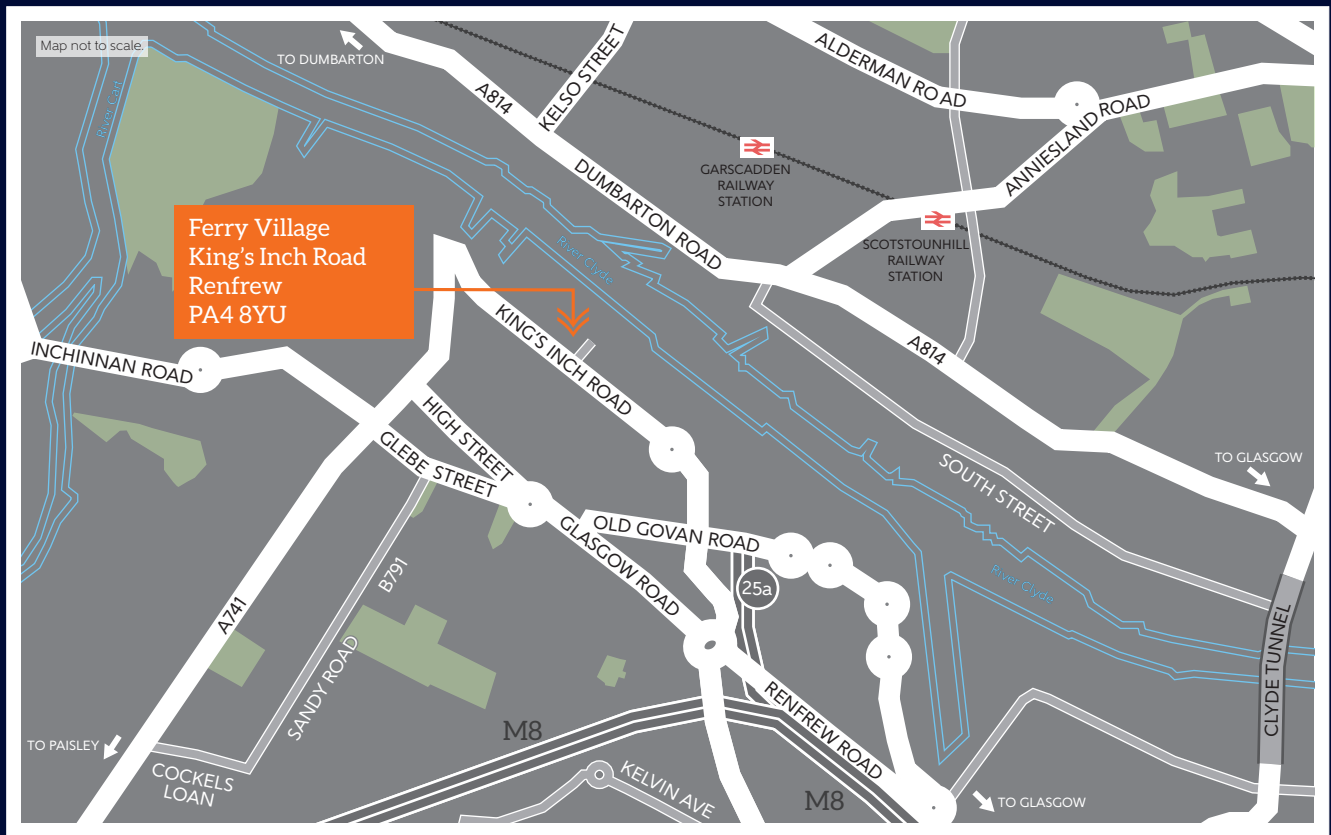

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
