Description

The Glover Pavilion comprises a modern office pavilion of steel frame construction under a pitched metal deck roof. The available accommodation is suite 4 on the first floor which has some internal partitioning. The office has also recently been refurbished. Internally the subjects provide a large open plan office with private offices and kitchen facilities. W.C. facilities are located in the communal areas.

Location

Aberdeen Innovation Park is an established business location, which is situated to the south side of Balgownie Road in the suburb of Bridge of Don which is located some 3 miles North of Aberdeen City Centre. Balgownie Road connects between arterial routes North of the City (The Parkway (A90) and Ellon Road which connects to the Aberdeen Western Periphery (A92)) which ensures access to the wider trunk road network. Travel to the City Centre has been significantly improved with the recent completion of the Grandholm Bridge – The third crossing of the River Don.
