AUCTION

For sale by Public Auction and via Livestream on 5th June 2025 at 2pm at Digby Hall, Hound Street, Sherborne, DT9 3AB. Register to bid in the room, online, by telephone or by proxy via our website.

THE DWELLING

Originally built as the gamekeeper’s cottage for the neighbouring manor house, this Grade II listed detached property, dates from the mid-19th century, and is built with dressed stone walls, a moulded cornice and crenellated parapets. The property features clay-tile hipped roofs with stone chimney stacks at each end of the ridge.

This attractive period house is set over two storeys, with distinctive Gothic-style windows, including tracery windows with pointed arches. The cottage also boasts half-dormer gables, with outer dormers incorporating the same tracery design, while the central dormer is glazed. The decorative detailing includes stone finials at the corners of the parapets and on the gabled dormers.

A sympathetic extension, added in 1991, blends seamlessly with the original structure, doubling the accommodation while maintaining the cottage’s historic charm.

There are three entrance doors, positioned to the left, centre, and right of the façade.

When the property was extended in 1991, a two storey building with generous proportions was also added across the courtyard, housing two spacious garages. A separate entrance door leads to a ground floor office, shower and toilet, with stairs to a generous carpeted library and two further rooms. Original planning restrictions prevented these two rooms from being used as bedrooms. Subject to the necessary consents, there may be potential to formalise their use, offering flexibility for a variety of purposes.

This unique and characterful cottage presents a rare opportunity to acquire a historic home in a sought-after village setting.

ACCOMMODATION

The ground floor boasts a spacious, well equipped kitchen/breakfast room with an oil-fired red Aga; a large traditional drawing room with wood burner and a formal dining room. Additionally, the property benefits from two wine cellars, a cold room and utility room. Two separate entrance halls provide access from the front, one of which includes a cloakroom

From dining room a staircase leads to an oak-panelled sitting room with a wood burner, which offers direct access to the elegant terraced area with a lily pond. Off the sitting room, the master bedroom benefits from an ensuite, alongside three additional bedrooms. An attic room also provides storage space and is home to a protected colony of lesser horseshoe bats.

GARDEN AND LAND

The property is set within an idyllic setting, surrounded by its own acreage of gardens and woodland. Tucked away in a secluded position, it sits elevated, embracing its natural surroundings. A private driveway leads to a gravelled drive and parking area. Adding to the historical charm, a thatched game larder is positioned within the grounds, while a lawned area to the rear extends into the surrounding woodland and leads to the lake.

Another added benefit of the property’s charming character is the ownership of an historic pump house, located within the grounds. This unique feature adds to the property’s heritage appeal. Please note, the purchaser of Keepers Cottage will be under an obligation to provide regular maintenance to ensuring the pump remains in correct working order.

SITUATION

Located in the desirable village of Nether Compton, the village boasts a strong community, featuring the 13th Century St Nicholas Church and The Gryphon’s Head pub. Nearby Sherborne and Yeovil provide excellent shopping, cultural and recreational facilities, with good transport links to London via Sherborne or Yeovil Junction and easy access to the A303.

The area is well-served by prestigious independent schools, including Sherborne Prep, Sherborne School for Girls and Boys, Leweston, Hazlegrove and Millfield. Sherborne additionally offering a range of top-tier educational options for all ages. LEGAL AND INFORMATION PACK

A full legal pack can be purchased online. Please telephone the office below to check availability.

**We strongly recommend you instruct a solicitor to inspect the legal pack on your behalf.**

Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction). The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The ‘Reserve Price’ may exceed the ‘Guide Price’ listed. If so, it is customary for the ‘Reserve Price’ to exceed the guide price by no more than 10%.

Additional Fees

- The successful purchaser will be required to pay the Auctioneers a Purchaser's Administration Fee of £1,500 (£1,250 plus VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £900 (£750 plus VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction.
- In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.
- Disbursements – Please see the legal pack for any disbursements listed that may become payable by the purchaser.

## AUCTION NOTES

**Prospective buyers are strongly advised to take note of the advice and information given in these important notes. IMPORTANT NOTICE** - Symonds & Sampson LLP and their Clients give notice that:

1. They have no authority to make or give any representations or warranties in relation to the property. The particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.

2. Any areas, measurements, or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the properties have all necessary Planning, Building Regulation or other consents, and Symonds & Sampson LLP have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.

3. This catalogue contains details about properties being sold at auction. The vendors reserve the right to sell their properties prior to auction and these details can be subject to change up to and including the day of the auction. Please check our website regularly at: [www.symondsandsampson.co.uk](http://www.symondsandsampson.co.uk) and look out for any additional materials available on the day of the auction, in order to ensure you have all the up to date information.

**Plans and Measurements** - All room sizes, site measurements and distances are approximate and may have been scaled from architects, Land Registry or Ordnance Survey plans. They are there to assist buyers in identifying the lots offered and not guaranteed to be to scale or to indicate the full extent of the property being offered. Buyers are advised to view the Special Conditions and full legal documentation in respect of the precise interest to be sold.

Each lot will be sold in accordance with the title documentation as the location plans shown in the catalogue are for identification purposes only. Interested applicants should make their own site inspections and investigations with regard to the accuracy of all measurements given in the catalogue.

**VAT** - Prospective buyers should satisfy themselves as to whether VAT is chargeable on the price prior to the auction from the seller's solicitors.

**Tenure** - Freehold and vacant possession will be given on completion unless otherwise stated.

**The Guide Price** is an indication of the seller's current minimum acceptable price at auction. It is given to assist consumers in deciding whether or not to pursue a purchase.

It is usual, but not always the case that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued.

A guide price is different to a reserve price (see below). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The Reserve Price is the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.
