Set in the heart of a sought-after village, this detached three-bedroom property offers spacious accommodation across two floors. Extending to approximately 2,207 sq ft, the house provides flexible living spaces and three well-proportioned bedrooms. While in need of modernisation, the property sits on a generous plot, enjoys pleasant views, and represents a rare opportunity to enhance an already substantial property in a desirable village setting.

Upon entering through the front porch, the entrance hall opens out to three versatile ground floor reception rooms, along with a cloakroom. The living room features French doors that lead into the conservatory, providing an additional reception space. The kitchen, designed to cater to all culinary needs, is fitted with solid wood cabinetry and offers ample space for a dining table or breakfast area. From the kitchen, a utility room provides space for white goods and includes an internal door to the double garage, as well as external access to the rear garden.

Upstairs, the spacious landing includes built-in storage and leads to three well-proportioned bedrooms, all of which benefit from fitted wardrobes. The principal bedroom enjoys the use of an en-suite shower room, while the remaining bedrooms are served by a well-appointed family bathroom.

The beautifully positioned south facing rear garden is predominantly laid to lawn, with a paved patio area adjoining the rear of the house. Mature hedging encloses the garden, complemented by established flower beds, shrubbery, and a charming water feature. Side access connects the garden to the front of the property, where the air source heat pump is located.

To the front, a large gravelled driveway provides ample off-road parking and leads to the double garage, which is accessed via electric doors.

Mains electric, water and drainage are connected to the property.
Air source heating.

Broadband - Ultrafast broadband is available.
Mobile phone network coverage is limited inside and is likely outside on most major networks.
