ACCOMMODATION

The entrance hall provides a bright and welcoming introduction to the home, offering an immediate sense of space and showcasing the property's wonderful rear outlook from the moment you step through the door. A glazed door leads directly to the garden, creating a seamless connection between indoors and out.

To the left, the beautifully appointed kitchen features bespoke Neptune shaker-style cabinetry complemented by solid quartz worktops. Integrated appliances include a fridge, with additional space provided for further white goods, alongside a Stoves oven. The kitchen and dining area offer ample space for a family dining table, with a door opening to the rear garden.

A separate utility room continues the Neptune cabinetry, providing further storage, space for additional appliances, and an integrated freezer.

Situated to the rear, the snug provides a versatile and inviting space, ideal as a secondary sitting room or a home office area.

The living room, located on the opposite side of the hallway, enjoys a delightful dual aspect with a sliding door opening to the rear terrace, perfectly framing the garden and views beyond. The room is centred around an elegant gas flame fireplace, creating a warm and inviting focal point.

The first-floor landing enjoys wonderful natural light and offers

charming views through a rear-facing window. The principal bedroom is a spacious and beautifully appointed room with delightful views over the garden and countryside beyond. It benefits from a generous en suite shower room featuring a contemporary double walk-in shower, finished to a high standard, and a well-designed walk-in wardrobe.

Across the landing are three further double bedrooms, two of which also enjoy the lovely rear aspect. The family bathroom is fitted with a modern suite, offering both style and comfort.

The landscaped rear garden enjoys a wonderful south-easterly aspect with an elevated decking area adjoining the property, providing an ideal spot for outdoor dining or relaxation while taking in the spectacular, uninterrupted views beyond.

The garden is beautifully arranged, with mature box hedging framing a level lawn, bordered by well-stocked flower beds featuring thoughtfully planted trees and seasonal colour. Discreet garden lighting is set throughout the borders, creating a charming and atmospheric setting after dusk.
