

Prince Of Wales Drive
Battersea, SW11

CHESTERTONS

Prince of Wales Drive is a stand-alone, detached, freehold house just moments from Battersea Park. Alongside being one of few detached houses in Battersea, it is also one of two final freehold houses on Prince of Wales Drive.

This stunning red brick property, the centre point of the road, is filled with charm and has a lovely blend of character & modernity. Together with its main entrance on Price of Wales Drive, electric gates on Rosenau Road open to present rare off street parking for up to four cars. As you enter this majestic home on the raised ground floor you will find a large double reception room, perfect for hosting and entertaining, and towards the rear of the property you have a wonderful room overlooking the large rear garden which lends itself perfectly as guest room or private study.

As you head further into the property, on the lower ground floor, you emerge into an enormous, open-plan kitchen/living room which is flooded with natural light from both ends. Heading back upstairs, across the top three floors of the property, you have five large bedrooms. The master bedroom is finished with a remarkably sized en-suite bathroom and built-in storage throughout and is a wonderfully luxurious suite. The further four bedrooms are serviced by two large bathrooms, all of which are spacious and beautifully presented.
