26-30 Battersea Park Road, SW11

CHESTERTONS

Fantastic top floor, one-bedroom apartment in a great location on the edge of Battersea Park.

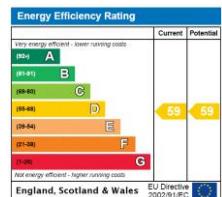

The property has a great layout with a good sized lounge, separate kitchen with generous worktop and cupboard space. The well-appointed bedroom is a great size, with unique features and leads to the bathroom which is fully fitted. The apartment is bright and airy and the layout gives a very quintessentially British feel. A further bonus of the property is the large amount of eave storage that adds nearly a further 200sq ft in compromised height floor space.

The location of the property so close to the 200 acres of green space that makes up Battersea Park is a real selling point. You are also spoilt for shopping options with various supermarkets located moments away on Battersea Park Road and the commercial offerings of Battersea Power station just over a 10 minute walk away (0.5 miles).

The Power station also offers access to the Northern Line if you are looking for a tube but you also have two mainline train stations as alternative transport options in Battersea Park and Queenstown Road giving access to Victoria and Waterloo stations. The apartment is Chain free and we highly recommend contact us to arrange a viewing.
