

Mill House is a delightful and charming house built in the late 1800s. This charming period property has been renovated to a high standard throughout. The property benefits double garage, open fireplaces, wood burning stove and period features. Ideally suited to those USAF members seeking a home in one of the traditional Norfolk villages, not far from the USAF bases.

OUTSIDE

A driveway to the side of the property provides access to the rear and to a double garage. The rear garden is enclosed by fencing and walling and has been landscaped with lawned areas.
