66 Cedar Avenue, Hazlemere, Bucks, HP15 7EE

Situated on the ever-popular Cedar Park Development is this extended, three-bedroom family home, that has been well cared for over the years, but does require a degree of redecoration and modernisation throughout. The property is located in one of the most sought-after areas in the centre of the village, conveniently situated for schools, local shops and major bus routes, as well as offering good access into London Marylebone via High Wycombe and Great Missenden Stations and access to the underground via Amersham. The property has been extended to the ground floor and now provides a utility room & family room but would still appear to lend itself to further expansion subject to obtaining the relevant planning permissions and potentially making the ground floor a larger space with open plan/kitchen breakfast area and the potential to extend at the side and above the garage. The accommodation includes; entrance hall with under stairs storage cupboard, fitted kitchen, utility room, through lounge/dining room, family room, three bedrooms with a family bathroom and separate w/c. The property also benefits from; gas central heating, double glazing, detached garage with driveway parking for two vehicles, enclosed rear garden which is very secluded and laid to lawn with patio area and storage shed. This really is a lovely plot and would make an ideal family home, the property is also offered to the market with no onward chain.
