Hurst are pleased to bring to market this four bedroom detached family home, that has been well cared by its current owner and offers four well proportioned bedrooms. The property is located in one of the most sought after areas in the centre of the village, conveniently situated for schools, local shops, major bus routes, and railway, offering good access into London via High Wycombe and Great Missenden Stations as well as the underground/Met line at Amersham. The accommodation includes; entrance hall, guest cloakroom, converted garage that now provides a small utility room and study/family room, fitted kitchen, spacious lounge/dining with patio doors opening out onto the rear garden, four bedrooms and family bathroom. The property also benefits from; gas central heating, double glazing, driveway parking a tiered rear garden than backs woodland and provides a spacious patio area. This really is a wonderful family home and one that would appear to lend itself to further expansion as both neighbours have not only landscaped their rear gardens but also added extensions to the rear, so this would likely be something that could be replicated here subject to obtaining the relevant planning permissions. An internal viewing is recommended.
