Beyond an understated front façade, this superb family home boasts remarkable versatility across two floors, offering more than 1,500 sq. ft. internally, while a sprawling plot of 0.5 acres (STMS) cements this home's status as a truly fulfilling property able to accompany the most enviable of lifestyles.

With the thriving village of Mundesley on its doorstep and far-reaching golf course views, the location of this property is every bit as desirable as the home itself, with a tranquil setting and easy reach of all the amenities that Mundesley has to offer.

The ground floor is dominated by the extraordinary kitchen/dining room that has been pulled through into a splendid orangery, immersing the occupants amongst the calm embrace of the rear gardens. The modern fitted kitchen showcases a wealth of fine cabinetry, whilst the breakfast bar provides the ideal threshold to the dining area. A seating area sits under the drama of the roof lantern to the orangery, and the entire room seems to effortlessly accommodate the ever-changing demands of a modern family life. Excellent versatility is provided within the ground floor with an additional sitting room and a study/ optional fifth bedroom, whilst a pantry and boot room answer for the important practicalities.

Upstairs, the generous proportions continue with no less than four double bedrooms. The owners are spoilt for choice for principal bedrooms with an enviable rear bedroom boasting a Juliet balcony revealing enchanting views of the gardens and even far-reaching views out to the pristine Mundesley golf course, whilst a spacious double to the front is served by a shower room en-suite and would be equally well-suited as a main bedroom. Two further double rooms are well-served by the refurbished family bathroom.

Moving here made a big difference to us, we were able to keep chickens, grow our own vegetables and host big family gatherings.

Whilst the property itself offers far more than meets the eye, the plot in which it sits is every bit as surprising with formal gardens being complimented by further grounds with mature trees, sprawling lawns, and a thriving kitchen garden. The immediate grounds are impeccably landscaped with a large driveway complimented by the detached garage, whilst multiple seating areas and sun terraces lead to the raised lawn; highly private and bordered by mature shrubs. A five-bar gate leads to the further grounds with an orchard leading to the picture-perfect summerhouse bathed in sunshine.

Whilst every attempt has been made to ensure the accuracy of the floor plan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission, or mis-statement.
