Hawthorn Cottage is a wonderfully characterful home, tucked away in a private position within the village and surrounded by established gardens. Brimming with charm and versatility, it offers a blend of light-filled living spaces and cosy retreats, perfect for both family life and entertaining.

The heart of the home is a vaulted sitting room with a corner wood-burning stove, where double doors open onto the garden, while the kitchen/ breakfast room – complete with a sociable island – is ideal for gatherings. Additional living areas include a bright family room and a snug, creating plenty of space for different moods and occasions.

Four bedrooms are thoughtfully arranged across two floors, complemented by a stylish shower room and a generous family bath and shower room.

Outside, the gardens are a real highlight – around a quarter of an acre of beautifully planted spaces, mature trees, a wildlife pond, and terraces made for summer evenings. The driveway offers ample parking and leads to two garages, adding to the home's practicality as well as its charm.
