Further Important Information

Our vendor client has redecorated a number of rooms throughout the property within the last 18 months, as well as having new carpets to the stairs and first floor rooms.

Our vendor client has also used insulated wall paper to the interior of some of the external walls of the property, which they have advised has helped to better insulate the property and reduce their utility bills.

Part of the roof to the rear was re-tiled in 2020.

A new front door was installed in 2022.

New PVC double glazed windows (except bathroom and kitchen) to 6 windows, tilt and turn.

All internal doors have been re-aligned, re-filled and re-painted also.

Top of the range gas fired Worcester combination boiler, installed in 2019.

All of the bedrooms have fitted black-out blinds, included within the sale. They are light and heat reflective so help keep the house cool in the summer and warm in the winter, as well as the standard light-stopping benefits.

Had 4 chimney caps installed.
