Unity is a new award-winning development covering an area of 250 hectares (618 acres) in Doncaster, South Yorkshire.

Unity is one of the largest regeneration and infrastructure projects of its kind in the UK and is delivering a mixed-use development of regional importance.

Following completion of development, Unity will provide over 3,000 new homes in a broad range of settings and styles, a new town centre, offline marina, school and transport hub. There are over 85 hectares (210 acres) dedicated to a variety of new commercial uses.

Unity Town is a new, truly mixed-use development which will ultimately become the vibrant centre of the Unity regeneration area; cementing the principles of a sustainable fifteen-minute neighbourhood.

Once fully developed Unity Town will integrate a new district centre, primary school, mixed-use community, transport hub and employment area within a single zone of 70 acres; all benefitting from proximity access to Hatfield & Stainforth railway station.

Unity Town incorporates a discrete employment and commercial area of approximately 7 hectares (18 acres) in size that is accessed directly from the new 'Unity Way' link road. It provides occupiers with swift vehicular access to junction 5 of the M18 motorway and is also situated within close walking distance of the new retail and community facilities that will be developed in future within the proposed district centre.

Unity Town's employment area offers potential for a number of different layouts which will be suitable for new logistics, manufacturing/industrial, trade counter and drive-thru retail development.

Unity Park is a new manufacturing, industrial and logistics development which is situated immediately adjacent to the Unity Energy zone and proposed location of the new Stainforth Country Park; surrounding the listed colliery headstocks.

The zone's indicative masterplan incorporates a discrete employment area of approximately 12 hectares (30 acres) in size that is accessed directly from the existing Waggons Way roundabout, which feeds straight onto the new 'Unity Way' link road. It provides occupiers with swift vehicular access to junction 5 of the M18 motorway and is also situated within close walking distance of Hatfield & Stainforth railway station.

Unity Park offers potential for a number of different layouts which will be suitable for new manufacturing/industrial, logistics, trade counter and small-scale ancillary retail & leisure development; incorporating flexibility of individual unit sizes.
